Vinayak Electrical is an organization counted among manufacturer of an array of electrical products & accessories. Popular for safety, they find application in homes & commercial shops.

About Us

Vinayak Electricals is manufacturing electrical products since **1997**. Vinayak Electricals is manufacturing various electrical products like modular switches and general switches. We also manufacture other electrical household and industrial products like **Electrical Switch, Indicator Switches, Multi Plug**, all types of L.E.D. products, fitting and fixtures, MCB'S and various electrical accessories. Our Products are designed elegantly under extra ordinary manufacturing facilities with the most innovative and latest technology. One unique feature of Vinayak electricals is that all our product are manufacture under one roof. We trade the products with the brand names of V-Five, Viza, Kemp's, Viyona.

We are using screw less Technology and superior quality brass part with Bi-metallic rivets company. Process them in an Automatic riveting machine. And what we have is a range of double plates, switches, sockets and accessories that are a class apart.

We work beneath the guidance of our well-informed CEO **Mr. Pravin L. Bambhaniya** who has an outstanding understanding of client's needs and provisions. Our mentor has years of understanding of this arena.
