

Vinayaka Electro Alloys India Pvt. Ltd.

<https://www.indiamart.com/vinayakaelectro/>

We are engaged in manufacturing steel castings like carbon steel, alloy steel, stainless steel, duplex steel that find usage in various application areas. Our gamut has attributes like durability, corrosion resistant & smooth finish.

About Us

Established in the year 2006, we **Vinayaka electro Alloys (I) Pvt. Ltd.**, are engaged in manufacturing, supplying and exporting high quality steel castings such as; Carbon Steel Casting, Alloy Steel Casting, Stainless Steel Casting, Duplex Steel Casting, Steel Castings, Industrial Steel Castings, Steel Pump Castings, also in addition to this we do Valve Castings, Pump Casings & other Engineering items. Owing to the quality standards, our products are repeated in demands in domestic and international marketplace.

Empowered by top-of-the-line infrastructural facilities and a team of experts, we are catering to the needs of our clients based all across the globe within stipulated time frame. We have well equipped and shop floors for pattern development, moulding, melting and fettering. Further, we abide by the highest industry standards to ascertain qualitative products. In addition, we are planning to develop top-notch quality equipment for foundries with state-of-the-art technology and believe in continuous improvement of the existing gamut. Before the final shipment of the consignments, we test our products with the help of physical, chemical, metallurgical and non-destructive testing equipment.

Under the able guidance of our mentor, Mr. P. Chinnusamy, we have been able to carve a niche in the marketplace. With his rich years of experience, we are successful in attaining a remarkable position in the industry.
