M/s Shivraaj Polysack Industries

<https://www.indiamart.com/vindustriesnashik/>

V Industries is a remarkable manufacturer thoroughly engrossed in offering a wide range of products including **Onion Packing Bags, Leno Bags, Potato Bags and Vegetables Bags.**

About Us

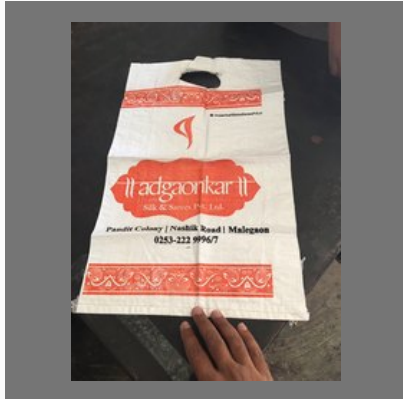

Footed in the year **2014**, **V Industries** is one of the remarkable business organizations readily instrumental in manufacturing a wide variety of products such as **Onion Packing Bags, Leno Bags, Potato Bags and Vegetables Bags**. Designed and developed under the command of assiduous executives, these provided products are broadly recommended and acknowledged amid our customers. Available with us in a plethora of sizes and color provisions, these bags are broadly recommended in the market and used for carrying and keeping vegetables. In addition to this, our ability to deliver only defect free consignment to our customers has earned us massive appreciation in this nation. We understand the role a team plays in the functioning of a company thus we have hired with us a skilled and dedicated workforce. All the personnel of our team are functioning in a coordinated manner to complete all our tasks on time. Also, above them is working our mentor **Mr. Abhijit Vanarse** who has helped us in different situations. His vast business expertise and understanding has helped us in undertaking a wide and satisfied clientele base all across the nation.
