We are an ISO 9001:2008 certified organization engaged in the manufacturing and exporting of Soya Products. All our products are known for high nutrition value, hygiene and consistent product quality.
About Us

Established in the year 1973, Vippy Industries Limited was envisioned by Late. Mr. Prakash Mutha. Since then, we are engaged in the manufacturing and exporting of Soya Products. We know the importance of proteins and hence our soya oil & meal have ample quantity of this body building nutrient. Owing to this feature and overall development of our organization, we were awarded the first ISO 9001:2008 certification for any Soya Processing Company in India. Further, we were the first one to be awarded the ISO -9002 certificate by SGS in 1998 and later acquired ISO 9001-2000 certificate from BVQI. Being a pioneer producer of value added Soya products like Defatted Soya Flour, Soya Grits and Flakes for international as well as domestic market, we have achieved Golden Status Certificate from Government of India. All these rich-in-protein products are processed in our manufacturing unit with utmost care. With our advanced machines which are supplied by Buhler Ltd., Switzerland Krupp Maschinentechnik GmbH, Germany and Westfalia Separators., Germany, we produce FDS for defatted soya flour 200 Tonnes /day; extruder plant for Soya TVP 20 Tonnes /day and full fat soya flour plant 10 Tonnes/day. Mr. Rahul Mutha, Managing Director of our organization has experience of more than 2 decades in oil seeds and oil extraction. Presently, under the mentorship of Mr. Rahul Hinway, we have been able to make a mark in both domestic and...
