Providing building materials, mining etc.

About Us

Virtualbuildcone is one of the fastest growing construction companies of India, focusing on infrastructure construction segment. Our focus has been to provide the finest and most comprehensive commercial and industrial construction services in MP. We have been engaged in designing of modern houses and apartments, build plans and building estimation. Our vision is to be a world - class construction and infrastructure enterprise committed to quality, timely completion, customer satisfaction, continuous learning and enhancement of stakeholder's value. We have been successful in providing services like landscaping for villas and bungalow, property dealing, providing building materials etc.. The company aspires and endeavors to meet clients requirement to the maximum. Our expertise team works with the real estate owners to custom design plans for any construction project. Our stone Crusher Plant includes vibrating feeder, jaw crusher, impact crusher, vibrating screen, belt conveyor and centrally electric controlling system, etc. The designed capacity is from 50t/h to 500t/h. To meet customer's specific requirement, we can also add other equipments such as cone crusher, dust catcher on the production line.
