Virtual Hydromet

https://www.indiamart.com/virtualelectronicscompany/

Manufacturer, supplier & exporter of various types of testing and measurement equipment like Hydrological & Meteorological Instrument, Scientific Instrument, Weather Monitoring Instrument etc. that are widely used in various departments.
About Us

**Virtual Hydromet.** has been successfully running the manufacture wholesaler and exporter of Weather Monitoring Systems, Hydrological Instrument, Meteorological, Soil Testing, Forestry, Agro meteorological, Pollution Monitoring, Scientific Instruments and Data logger’s and many more. Owing to its better quality and precise performance, these products are highly appreciated by our esteemed client base. Our products are generally used at top notch weather and climate monitoring centers. We also have a team of qualified technical staff who are involved in the manufacture, installation and maintenance of various meteorological and Hydrological, sensors and systems. Keeping mind the various needs and specifications of our respected clients we also have a custom-build range available. We make sure that our products are thoroughly checked as per the global standards of quality before it finally delivered to the clients. Our range of products are available at affordable prices as per the industry trends. We have always believed in adopting new formulations and technologies to provide supreme quality products. Distribution of these products are done all over India, South Asia, Middle East, Africa, North East Asia, China and Australia. Our company has always insisted on the business ideals of "unity, hard work, and sincerity" which has enabled us to win the trust of clients both nationally and internationally. We have always followed transparent and ethical business...

METEOROLOGICAL INSTRUMENTS

Digital Solar Radiation Recorder (Pyranometer)

Ordinary Rain Gauge

Pyranometer

Wind Speed Sensor
HYDROLOGICAL INSTRUMENTS

- Water Velocity Indicator
- Water Level Indicator
- Water Current Sensor (Cup Type)
- Propeller Type Water Current Meter
SOIL & PLANT SCIENCE

- Soil Tensiometer
- Double Ring Soil Infiltrometer
- Soil Moisture Tension Meter
- Soil Moisture, Temperature & EC Recorder
SENSORS

Leaf Wetness Sensor

Atmospheric Pressure Sensor (Barometer)

Soil Moisture Tension Sensor
WEATHER MONITORING INSTRUMENTS

Automatic Weather Station (Scientific Grade)

Automatic Leaf Wetness Recorder

Automatic Wind Monitor
OTHER PRODUCTS:

- Ultrasonic Wind Speed & Direction Sensor
- Pygmy Size Water Current Meter
- Digital Soil Infillrometer
- Water Level Sensor (Shaft Encoder Type)
OTHER PRODUCTS:

- Multilevel-Conductivity Recorder
- Ultrasonic Flow Meter
- Non Contact Water Current Meter
- Evaporation Sensor
OTHER PRODUCTS:

- Time / Revolution Counters
- Passive Cloud Cover Detector
- Portable Bridge Winch
- Snow Depth Sensor
OTHER PRODUCTS:

- Suspended Solids Analyzer
- Sun Tracker
- Thermometers
