## About Us

Established in the year **2000** at **Bengaluru, Karnataka**, we “**Vismaya Integrated Farm Tech**” are **Sole Proprietorship (Individual)** based firm, involved as the **Cultivator** and **trader** of **Fodder Seed** and many more. These products are extremely appreciated amongst customer for their excellent quality and finish at the reasonable prices. Under the motivational supervision of “**Umesh B G (Proprietor)**” we have attained a desirable position in the industry. We also render Dairy Farm Shed Fabrication Service. The team has worked for many yrs having a healthy experience in the industry by executing both large & small projects. We provide next generation hi-tech farming of integrated sheep & goat farm, dairy farm & agro forestry adopting the latest technology to promote rural entrepreneurship. We aspire in taking farm activities to new heights for formers and entrepreneurs to set up a completely automated farm and to ensure quality products. We deliver End to End consultancy services and focus on clean, hygienic, easy, simple, convenient, cost optimization & high productivity improvement. We are high-tech livestock farm builders & developers for stall fed of sheep & goat farm, dairy farm & agro forestry concepts. We provide turnkey projects for starting up to Marketing as a commercial stall fed goat & sheep, dairy...
