## About Us

Established in the year of **2011**, **Vithal Land Surveyors Private Limited** is one of the leading **service provider** of **Survey Services and GIS Training Services**. Under his able leadership, our company has been a fast growing organization since its establishment in the year 2011. Our services are applicable in different sectors like JDA (Jaipur Development Authority), electricity boards, wind mills and all kinds of land survey services.

Our firm recruits a highly able team of qualified engineers under **Mr. Rajendra Taylor**, town planners and other experts, who help us in providing optimum services. So far, we have held a spotless record when it comes to meeting customer expectations. We plan on continuing our growth with the same steady commitment. Our major clients are Ansal and Hiranandani.
