About Us

VivahCreations.com is a premier online matrimony and matchmaking service, trusted by people to help them find their life partners matching their preferences.

The main objective of the company is to provide an effective matchmaking experience to users by providing a proper blend of traditional touch and technological comfort. Prospective Brides and Grooms can create their profile on our website by filling up their Personal details alongwith their preference for the desired life partner in the Free Registration form. Registered users can Search for their prospective life partners from our database of thousands of mobile verified profiles of all religions, castes, mother tongue, locations. The database in particular has varied profiles of people of all religions, castes and communities of North India and specially natives of Uttar Pradesh. Users can get in touch with the shortlisted profiles by upgrading their Free membership to a Paid one through various available Paid plans. A secured payment gateway on the website facilitates subscription of our Paid service by way of Internet Banking, Credit / Debit Cards. The website has an impressive host of features which facilitates communication among the users in the form of instant messaging service, Email, Chat and Phone. The company offers offline services as well for not so Net savvy customers, in this mode, customers are serviced over email. One can Email or WhatsApp their profile on company's email id or...
