

VIVEKANANDA CHEMICALS

<https://www.indiamart.com/vivekanandachemicals/>

Owing to the rich industrial experience, we are into formulating and supplying a wide range of Speciality Chemicals, Laboratory Chemicals, Water Treatment Chemicals, Chemical Compound, Magnesium Chloride and Polymer Chemicals.

About Us

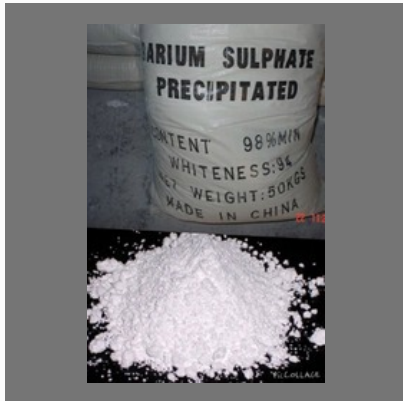

Vivekananda Chemicals is the most eminent name in the industry for **formulating and supplying** quality assured and extensive range of **Speciality Chemicals, Laboratory Chemicals, Water Treatment Chemicals, Chemical Compound, Magnesium Chloride and Polymer Chemicals**. Our company is a **sole proprietorship** firm which was established in the year **2005** at Hyderabad. All the products of our company are accurately composite by using high grade chemical and latest technology according to the predefined quality norms and principles. Also, we get appreciation from the customers due to the effectiveness, high pH value, quality assured nature, non-toxic nature and various attributes of our products. Apart from this, our company is maintaining a healthy relationship with its associates and customers. Customer satisfaction is our prime objective and customers play a vital role in the success and achievements of our company. **Vivekananda Chemicals** is the renowned name in the industry due to the hard work and guidance of **Mr. M. Venkata Reddy (Proprietor)**. He is the most important part of our company and his way of running the business is superior to others. Under his leadership, we have achieved a remarkable position in the industry in very short span of time. Moreover, the advanced and well equipped laboratories of our company enable us to formulate and timely deliver quality approved chemicals in bulk. The packaging and...

PAINTS, POWDER & VARNISHES

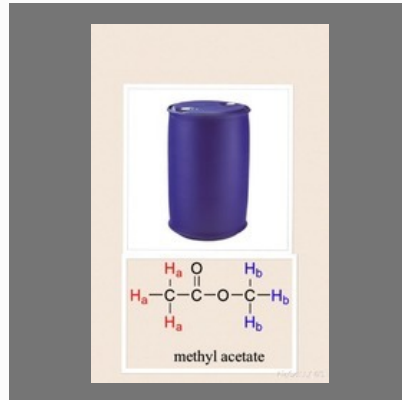

Barium Sulphate

Sodium Benzoate

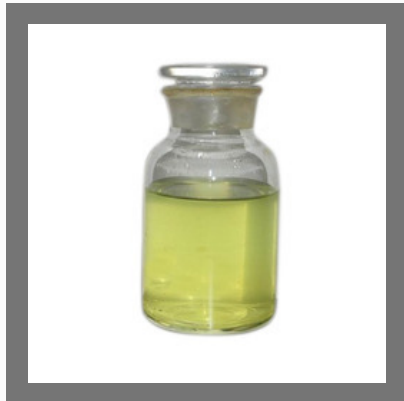

Sulfamic Acid

Methyl Acetate

WATER TREATMENT CHEMICALS

Sodium Hypochlorite

Ferric Chloride Powder

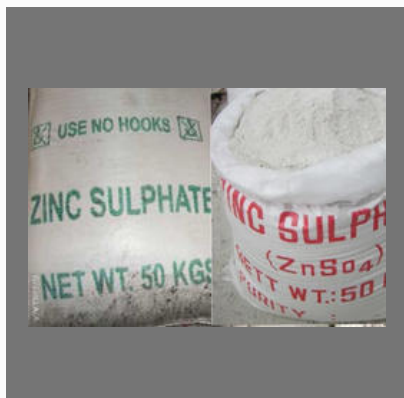

Magnesium Chloride Liquid

ETP, STP, UF and RO Plants

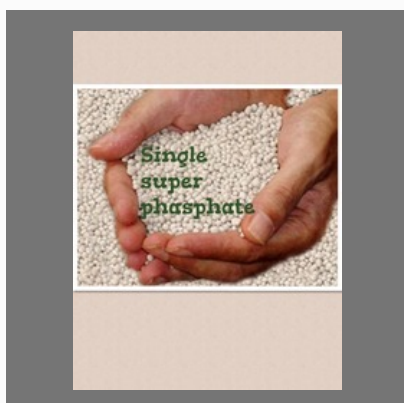

FERTILIZERS & SOIL ADDITIVES

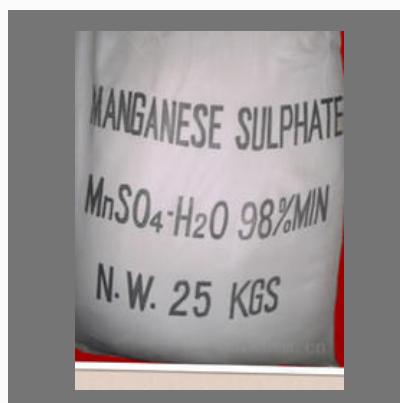

Zinc Sulphate Heptahydrate

MKP (Potassium Phosphate)

Single Super Phosphate

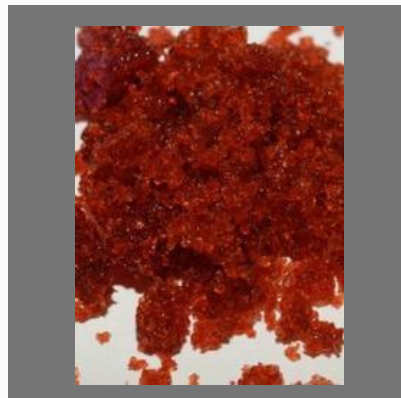

Manganese Sulphate

BATTERY CHEMICALS

Zink Chloride Solution

COBALT NITRATE

Cobalt Chloride

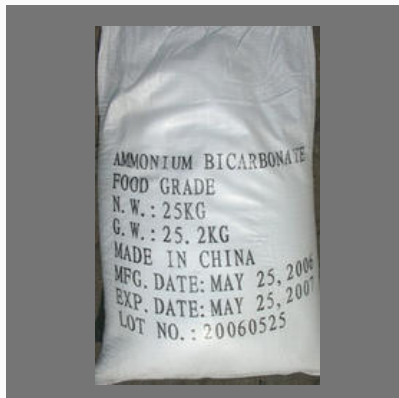

Nickel Nitrate

CHEMICAL COMPOUND

Caustic Soda Flakes

Ammonium Bi Carbonate

Mono Chloro Acetic Acid

Sodium Hydrate

REFRACTORY BONDING CHEMICAL

Dolomite

Lime Stone Powder, Butent
Lime, Hydrated Lime

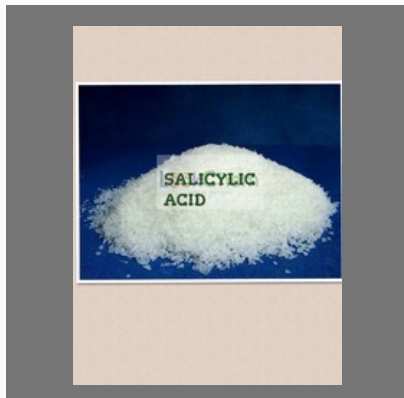

Monoammonium Phosphate

Monoammonium Phosphate

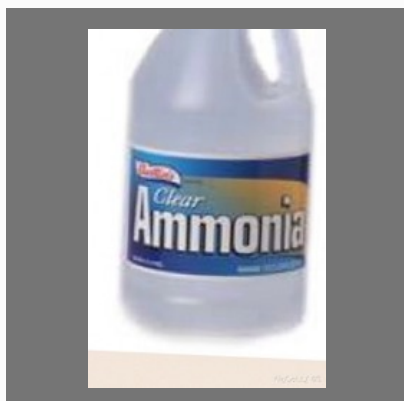

CAMMERCIAL CHEMICALS

Salicylic Acid

Calcium Chloride

Ammonia

Potassium Carbonate

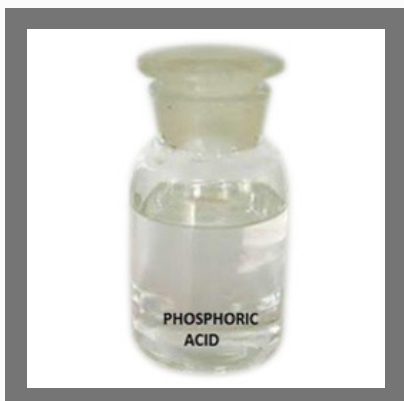

SPECIALITY CHEMICALS

Orthophosphoric Acid

Citric Acid

Phosphoric Acid

Ammonium Chloride

OTHER PRODUCTS:

Copper Slag

Ferric Chloride Solution

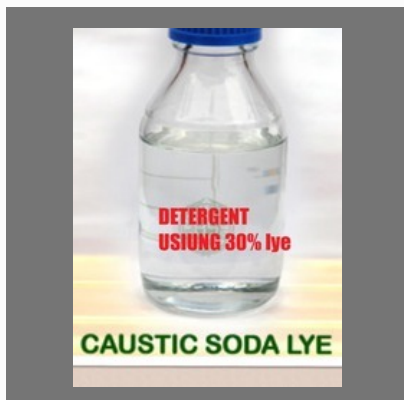

Magnesium Sulphate

Cobalt Sulphate

OTHER PRODUCTS:

Caustic Soda Lye 30%

Barium Fluoride

Caustic Soda Flakes & LYE

Potassium Carbonate

Factsheet

Year of Establishment : 2005

Nature of Business : Manufacturer

Total Number of Employees : 11 to 25 People
