About Us

Kirti is a B. Tech. (Chemical Engineering) from Laxmi Narayan Institute of Technology, Nagpur (L.I.T.). She has an excellent academic background. After completing her graduation, she started her career with NEERI. (National Environmental Engineering Research Institute). Here she worked on various Environmental projects for ONGC India Ltd. & Reliance India as a research Associate and had a exposure on PHAST and SAFETTI software used for hazard analysis and risk studies. She has also worked as visiting lecturer for an Educational Institute in Nagpur. In 2004 she left NEERI and started her own firm where she has been continuously involved in Software Development & Consultancy. She has good knowledge in C, C++ and Oracle Database along with web technologies.

Mr. Sanket Joshi,

Head Business Development & Finance Sanket has rich experience in Investment Banking and International Business. Before joining Viveka, Sanket has worked with MNCs like Accenture, AXA Business Pvt. Ltd and Bank of New York. He has hands on experience in implementing cost effective business solutions and migrations. His good domain knowledge along with development experience helps our clients to successfully leverage the latest IT technologies at different business areas. Apart from his professional assignments Sanket is involved in innovating new technology solutions for different business verticals apart from finance. He has sound knowledge of portfolio...
