About Us

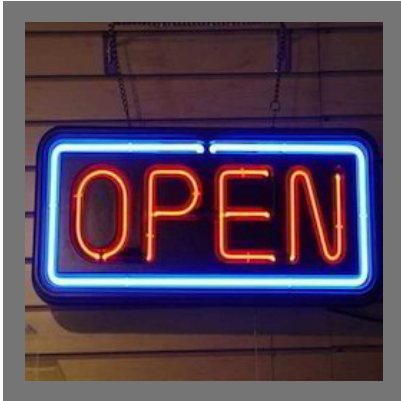

Promotions & Communications is a big business in today's world... Vivid is a complete branding solution provider. You will find our work as diverse in scope and magnitude as the clientele we have... Our expertise lies in conceptualizing, designing, printing and executing the best of promotions & communication displays based on customer needs, space and budget. With wide setup & business association across Gujarat and adjoining states, we have served the most demanding clients who keep coming back to us... Vivid is based at Surat, provides clients with creative services for designing and production of corporate identity, promotions and communications, posters, corporate brochures, annual reports, packaging, catalogues, newsletters, signage, books, calendars, invitations, restaurant menus, collateral material and exhibition displays, and many more... We provide creative design solutions that take your Business to the next level. We believe that devotion to the brand defines the profile of the company, hence we have made a benchmark in the field of creativity...
