## About Us

Established in 2016, **V & J International** are the leading **Manufacturer, Exporter, and Trader** of **Semi Precious Stones, Ear Cuff, and Designer Earring**. Since our initiation, we have attained outstanding success in the field because of our honesty and integrity. Our offered array is designed using the exceptional grade basic materials, advanced machines and tools. Thus, our presented array is traditional in look, comfortable to wear, light in weight and easy to use. Our presented array is highly cherished in this industry for attractive designs, precious gems used, quality polished used and long lasting shine.

In order to deliver a fault-free and superiority range of jewelry, we have established a greatly ordered infrastructural division. In addition, the experts appointed by us are acknowledged due to their expertise and professional behavior in their specific domain. Due to the backing of hardworking professionals, our organization is competent to take on voluminous consignments as per the precise needs of clients. Our team of professionals is highly dedicated and committed to attaining the set objective of the organization. In addition to this, our quality analysts keep a vigilant eye on the production, storage, packaging and ultimate delivery of the offered range.

With the intelligent leadership of **Ms. Kriti Arora** (Business Head), our organization has accomplished numerous achievements and...
