About Us

VM architects established in the year 2012. The firm's strength lies in its total commitment to excellence in planning and delivery of high quality designed projects. Our designs vary from traditional to contemporary. VM architects endow with the best designs based on the requirements of the clients and plan the space in an aesthetic and functional manner, so that proper utilization of natural air and light is achieved. All designs are contextual, climate responsive, sustainable and creating spaces that are enlivening to experience.

VM architects has been designing and executing projects through out Kerala and Bangalore that include residential, commercial, housing, institutional, hospitality and interior designing. The firm is a team of experienced professionals from the fields of Architecture, Civil engineering, MEP, interior designing, and also in the Administration.
