V. M. Traders was founded in the year **1982** as the name responsible for wholesaling, manufacturing, trading and retailing of **Industrial Bearings.**

About Us

V. M. Traders was founded in the year **1982** as the name responsible for **wholesaling, manufacturing, trading and retailing** of **Ball Bearings, Roller Bearings, Linear Guide**. Offered products are designed & developed in accordance with the approved industry norms and thus, are imparted with durability, dimensional stability, high strength, resistant to corrosion and capability of providing efficient performance. These products are extremely admired by clientele owing to their low maintenance, sturdy nature, and longer life. Our presented products are made by utilizing the best grade material and advanced techniques at our vendor's end. In order to attain the business objectives in a proficient way, our organization has selected an expert's team, who has years of practice in this field.

We have been able to satisfy clients that are spread all across the nation, we ensure our clients with the high quality range of bearings as per their specific requirements. The offered products are widely used in different industries such as engineering, manufacturing, automotive, etc. Further, these products are checked for their quality on series of quality parameters before being supplied to our clients assuring their flawlessness at user's end.

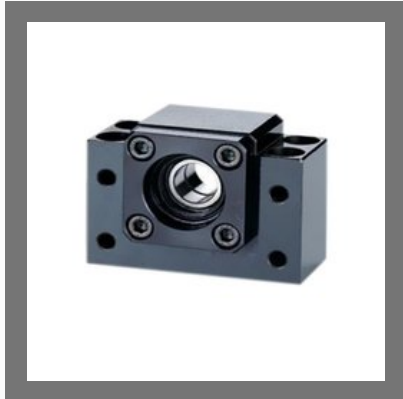

Managed under the leadership of our mentor, "**Mr. Maruti Padwal**", our company has covered major share in the national market. His in-depth industry experience and...
