We are known as one of the leading Manufacturers of the finest and most attractive range of Handicraft Products, such as Candle Stand, Designer Candle Stand, Centerpiece Stand, Crystal Ball Centerpiece etc.

About Us

We, **VM Handicraft**, began our operations in the year **2017**, as a **Manufacturer** of an impeccable range of Handicraft Products. The highly preferred range of handicraft products made available by us is inclusive of **Candle Stand, Designer Candle Stand, Centerpiece Stand, Crystal Ball Centerpiece, Crystal Flower Centerpiece** etc. These handicraft products are highly appreciated by the customers for their attractive designs, smooth finish and durability. The offered handicraft products are manufactured using the high-grade raw materials that are procured from credible vendors in the industry.

The state-of-the-art infrastructural facility at our firm is modern and equipped with world class amenities and high-tech machinery. In order to attain hassle-free operations, we have divided our facility into various units. The units are headed by highly trained and skilled personnel, who work in a synchronized manner, in order to achieve the organizational goals in a timely manner. These handicraft products are sent to our team of quality analysts, which evaluates these products on multiple parameters. In addition, our high ethical standards and abidance to the set industrial guidelines have helped us to increase our client base within a period of few months.

Under the guidance of our Merchandiser **Mr. Vipin Sharma**, we have achieved success within a limited period of our existence. His unmatched knowledge of the domain has helped...
