About Us

Opus spark, started on January, 2011, in TRICHY, South India, with beliefs, practices and real business results. The Company has been promoted by experienced professionals dedicated to provide total IT solutions under one roof. It possesses not only the latest technology assets but also the most knowledgeable and experienced hands to offer most user friendly customized solutions. Our IT services, business solutions and products bring you a level of certainty that there is no point in choosing other choice. You will experience your requirements being met on time, within budget and with high quality; greater efficiency and responsiveness to your business; and the ability to shift investment to strategic initiatives rather than tactical functions. Highly qualified professionals, extremely available resource pool, domain expertise, accessibility, flexibility, reliability and quick turnaround are the key standards of OPUS SPARK.
