We are an ISO 9001:2000 certified organization engaged in manufacturing, exporting and supplying a wide range of pharmaceutical products. These products are highly demanded in health care and medical industries.
About Us

Established in the year 2007, we, Von Remedies, are counted amongst the renowned manufacturers, exporters and suppliers of effective pharmaceutical products. These are renowned for their high medicinal value, longer shelf life, instant relief and are absolutely safe to consume. Being an ISO 9001:2000 certified organization, our products are ensured to comply with the international quality standards. We have a well-equipped processing facility that helps us to formulate our pharmaceutical products. It is installed with all the requisite machines and tools. Further, we perform various IPQC (In-Process Quality Control) tests along with various other mandatory and statutory tests to ensure the delivery of high quality products to our clients. Further, we use high quality packaging material such as blister packs to pack our range properly. Under the able guidance of our mentor Mr. Kawaljeet Singh, we have been able to achieve huge success in the competitive market. Due to his sharp business acumen and futuristic approach, we have been able to surpass our market competitors.
