About Us

Dr. Vinoth's Physiotherapy Services was founded with the goal to increase the health and wellness of the people of Hyderabad. We have been able to help numerous people feel better and improve their quality of life all of the physiotherapists at Dr. Vinoth's Physiotherapy Services are personally recruited on the basis of their knowledge, experience and personal attributes.

Physiotherapy is the provision of services to people and populations to develop maintain and restore maximum movement and functional ability throughout the lifespan.

As a leading physio centre, we provide the latest and innovations for diagnosis and treatment along with prevention of the most acute clinical conditions.

At your first visit, a physiotherapist will evaluate your condition to plan a physiotherapy program based on your physician's or surgeon recommendations and the results of the evaluation. The physiotherapist takes into account your expectations and goals, your age and physical abilities.

The physiotherapist shall also provide you with instructions of proper positioning to control your pain symptoms. Exercise is almost always an important part of your program. You will usually exercise in our gym and we will give you exercises to do at home before you return to your doctor, your physiotherapist will give an updated report describing our progress in therapy.
