About Us

Wainso Sports is a renowned company which provides indoor and outdoor sports surfaces of all types which are designed from the qualitative material. The company has achieved higher growth, made possible because of our continuous and constant efforts and dedication of Wainso Sports team. We are constantly working in analyzing the changing needs of the market, in order to provide satisfaction to our customer. For us customers are our partners. We always tend to do things for customer satisfaction, as a customer-centric organization. We worked in environments ranging from North to South and East to West covering whole India. A combination of experienced experts and dedicated workers bring together the best of results. We're here to help you design and build the sports facility of your dreams. We are deeply involved in a project, right from Project conception, Planning, Execution, Monitoring & Control in order to achieve a higher degree of customer satisfaction. Installing sports surfaces demands specific expertise and a high level of precision and experience. After all, the optimum sports physiological properties of the surface can only be harnessed when all components are professionally and properly installed. That's why Wainso Sports has its sports surfaces installed only by employees specifically trained for the relevant forms of processing, and this has made us an organization with a high level of customer satisfaction. No matter whether it's a case of synthetic surfaces or...
