About Us

If you are planning for a property transaction, Walhekar Properties is the name to look upon. Walhekar Properties is a distinguished real estate agent in Pune, Maharashtra. We are known for offering Builders & Developers services, Real Estate Consultancy services, Construction Services as well as Architectural Services. All our real estate services are charged at very reasonable prices. But of course, quality remains the top priority from our end.

We involve the usage of advanced machinery ensuring great productivity in the end. We periodically update our knowledge as per the designs quite popular in the Pune real estate circle. The cornerstone of Walhekar Properties was laid in the year 2004 in Pune, Maharashtra. We started with a very limited set of resources (in terms of man, material and manpower).
