

# Wall To Wall

<https://www.indiamart.com/wall-to-wall/>

Taking immense pleasure, we introduce ourselves as one of the most preferred organizations engaged in providing excellent and professional Interior Designing Services. These enhance the beauty and gorgeous look of the interiors.

## About Us

With the latest innovations and rising standard of living, people are opting for better living spaces. Henceforth, our innovative and creative interior decoration services, aims at catering to the diverse tastes and preferences of our huge client base. In this aspect, we, “**Wall To Wall**”, were inceptioned in the year **1996**. Our company is highly reputed as a diverse and prompt service provider of various interior decoration solutions. We deliver most innovatively planned and deliver Interior Designing Services. Further, with our domain expertise and robust team of professionals, we have acclaimed a top position in the industry segments. Being a client centric organization, we aim to analyze the diverse specifications of our clients and offer our services accordingly. Thus, we have to our credit a huge client base dispersed across the country. Our expert and experienced professionals make use of 3D designing and Vastu Shastra methodologies to execute our projects with precision and excellency. We ensure to collect the valuable suggestions and feedbacks of our clients and provide enhanced services accordingly. Our company is able to gain immense popularity and recognition under the able leadership and guidance of ‘**Ms. Sormista Pal**’. She has enabled us to imbibe excellence and professionalism in all our ventures. Her constant inspiration and ethical business practices have made us reach the top position in the kolkata markets....
