<https://www.indiamart.com/warrierselfadhesives/>

We are an ISO 9001:2000 accredited manufacturer and exporter of a wide range of adhesive stickers, thermal stickers and automotive decals. These are appreciated for high quality features and are supplied in bulk.

## About Us

We, Warrier Self Adhesives, were established in the year 1995, are engaged in manufacturing and exporting of paper stickers, reflective stickers, stickers and decals that caters to various commercial and industrial applications. We have established our name with the immense efforts, dedication, guidance and motivation of our owner Radhika Warrier. Her excellent managerial skills have led us in achieving top notch position in the industry with a satisfying annual turnover. Quality is our forte and we strive our hundred percent efforts that include rigorous quality tests and other measures and ensure that the range of stickers that we offer could be used in various industries. Our team of workers, professionals and personnel involved at each department such as manufacturing, administrative or customer care ensure to work hand in hand to bring smoothness in the entire business operation. Providing effective packaging of our range, we have been able to deliver these with long shelf life and keeping them in original form.
