Welcome Packers & Movers can help you with all stages of your move, from providing packing material to delivering your items to your new location.

About Us

Welcome Packers & Movers can help you with all stages of your move, from providing packing material to delivering your items to your new location.

If you are on a tight budget or if you just prefer to handle most of the move yourself, we are one of the packing companies that can provide you with all of the supplies you will need for an efficient move. Beyond the basics of boxes, bubble wrap and tape, our packing specialists will also be glad to provide you with expert tips on how to pack your items to insure against breakage during transit.

As one of the most experienced Packing Companies , we have been helping people move around the corner and across the country for more than 25 years. We hire professional and courteous drivers who have at least three years of moving experience and who know how to put the customer first with Safe Delivery. We provide IBA approved LR as well as transit insurance as per customer requirement. We also provide wooden crate for valuable glasses/Fragiles while packing as per customer requirement.
