<https://www.indiamart.com/weldtechindustries/>

We are the leading Manufacturer, Exporter and Supplier of premium quality Welded Wire Mesh, Crimped Wire Mesh, Chain Link Fence, Wire Mesh, Barbed Wire, etc. This range is demanded for its premium quality and durability.

About Us

We “**Weld Tech Industries**” established at **Ahmedabad (Gujarat, India)** in the year **2012**, have gained accreditation in the field of **manufacturing, exporting and supplying** an outstanding range of **Welded Wire Mesh, Crimped Wire Mesh, Chain Link Fence, Wire Mesh, Barbed Wire, Concertina Coils**, etc. We are a **Partnership firm** facilitated by our robust infrastructural base which is constructed over a large area of land. Our base is supervised by skillful team members who are experienced as per their assigned work domain. Our professionals work round the clock and put forth their best possible efforts in order to achieve the company goals and objectives. Furthermore, we regularly organize seminars and workshops to boost the skills and knowledge of our team members. We are able to meet the market demands within time due to the assistance of our expert team and our hi-tech infrastructural facilities. The offered range is manufactured in adherence to the industry standards using approved quality basic material and latest machines by our ingenious professionals. This range is widely acknowledged in the market for its salient features such as precise design, easy-installation, perfect finish and durability. Additionally, we offer this excellent quality range at budget-friendly costs.

Owing to the guidance and excellent marketing skills of our **Mentor “Mr. Bhavesh Patel”**, we have set high standards in...
