

W. G. Enterprises Private Limited

<https://www.indiamart.com/wgenterprises/>

To meet the various requirements of the customers, we are involved in Manufacturing & providing Promotional caps, Printed t-shirt & mugs since 1994. These products are stringently examined on numerous quality parameters before final dispatch.

About Us

“**W. G. Enterprises Private Limited**”, began its functioning in the year **1994**, as a manufacturer & service provider and has already marked its presence with not only amazingly printed caps & t-shirts to give your wardrobe the variety that you feel it may need. The offered range is comprised of the finest products that are widely praised and preferred in the market.

Since the incorporation of our business, we are fully backed by extremely advanced infrastructure base that helps us to cater the requirements of our clients in specific time frame. To have smooth control over industrial operations, we have parted this unit into numerous departments such as manufacturing department, quality department, warehousing department, packing department, R&D and logistics department.

Under the management of our owner, “**Mr. Harjeet Singh**” we have reached the peak of our success. His ability to understand market changes, capability to handle pressure and managerial skills. Further, he provides regular perks and benefits to our employees, for providing maximum satisfaction.
