## About Us

White Elephant Recruitment was founded and are supported by a team of experienced recruitment consultants. We aim and provide the right job to the candidate and we believe it will transform his life and lead to success of the business. We're sincere in placing our candidates with the right job for them and we are continuously placing high calibre personnel in leading employers of choice throughout India.

We believe that through proactively building strong long-term partnerships, we will be able to work with our clients to achieve a real insight into their business challenges and support them in the proactive sourcing of talented individuals to enable their business strategies for the future.
