

White Lillies

<https://www.indiamart.com/whitelillies-mumbai/>

Manufacturer, distributor and supplier of allover design dress, applique design dress, laces design dress etc.

About Us

Welcome to White Lillies, one of India's fastest growing embroidery companies. Since our inception in 2008 we have catered to many satisfied customers from all over the world .

White Lillies manufactures top of the line Haute Couture Embroidered Fabrics and Laces in India. Our unique vision and sense of design for fashion fabrics has helped us create a significance niche for ourselves as avant garde embroidered fabric manufacturers.

Factors such as Total Quality Management of the highest level, extreme flexibility, cost control and cost competitiveness are reasons for our customers to achieve great customer satisfaction.

We are dealing with production of bridal wear fabrics, evening wear fabrics and fashion accessories. Our design studio on a daily basis is involved with development of design keeping In mind the latest European fashion trends.

The countries we visit with our new collections on a regular basis are Italy, France, Spain, Brazil, Turkey, Iran, Morocco and many more.
