About Us

Established in the year 2004 at New Delhi, Whole Sale Smoking, became one of the leading manufacturer, supplier and exporter of all kinds of smoking accessories. These smoking accessories are available in glass, wood & clay. We offer a wide range of smoking pipes, water pipes, ashtrays and bubblers. These smoking pipes and other accessories are available in a variety of colors and stylist designs. Our major market are America, Germany & Canada.

As we customize our products according to the client's requirements, we have now acquired many prestigious clients in these years. Now our company have crossed the Indian markets and are able to deliver our products, to the global market. Our best designers design these smoking pipes keeping in mind the choice of the customer and hence, we have now increased our customer base to a wide extent. In these years we have never looked behind since, we established this company. And under the able guidance of our mentor Mr Mohan Vats, we are now marching forward day by day, towards acquiring more and more clients.
