

# Wikon Filters India

<https://www.indiamart.com/wikon-filters-india/>

Manufacturer and exporter of all kinds of air filters, fuel filters, oil filters, spin-on, pu foam and plastic air filters.

## About Us

Wikon was founded in 1966 by the present chairman Mr. Jaspal Singh. The origin was very humble with only a handful of dedicated workmen manually producing around 100 filters per day and covering a range of just 10 applications. Today Wikon has a production capacity of over 10 Lac per annum., covering the entire range of vehicles like cars, tractors, commercial vehicles in three state-of-the-art production units at New Delhi and Bawana Industrial Area, Delhi

Today, Wikon Filters India is one of the pioneering manufacturer, exporter and supplier of all kinds of **Lube Oil, Fuel, Air and Hydraulic Filters (Elements and Spin-On), 'O' Rings, Oil Seals, Fan Belts** for automobiles, Tractors, Industries, Generators, Compressors and Heavy Earth Movers. Established in 1966, our company also manufactures **Air Filters, Fuel Filters, Oil Filters, Diesel Filters, Industrial Filters, Filter Raw Materials, Filter Assemblies, Filter Plates, Filter Machines, Filter Papers, PU Foam Air Filters and Pleated Paper Filters.**
