About Us

"Window Magic" a division of **Ramtex Overseas Pvt. Ltd.** and part of JV Group was setup in **2002** as a result of tie up with Profine Group of Germany that is world's largest manufacturers of UPVC profiles and operate with the brand name Kommerling. Today, we are a leading manufacturer and domestic supplier of a wide range of **Windows and Doors, Profile Lamination in Various Colors, Insect Screen and Glass Solutions.**

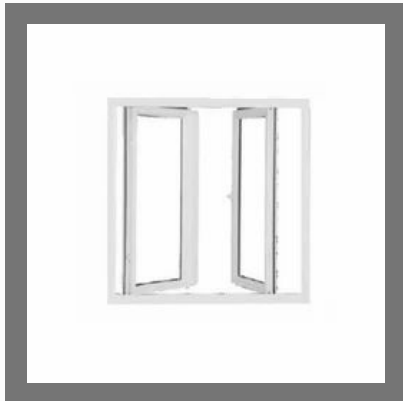

One of our unique offering is the concept of **Unplasticised Polyvinyl Chloride (PVC-U)** doors, windows, glass fabrication and internal partitions. We have the distinction of being among the first to introduce this concept in India. The UPVC products have proven to be an environmentally friendly, safe and secure solution in the industry. A lot of thought and designing goes behind each and every products offered by us. We have been able to bring a new dimension in the field of architecture with our latest PVC-U products. Apart from the wide range of products, we offer complete technical support with the aid of Kommerling, which has been a key player in marketing window and door systems in whole of the world since 1967. With our strict quality control on the manufacturing process, all our products are in compliance with various national and international quality standards.
