Horst Wittur founds his own company at the age of 26 with a start-up capital of DM 2.000: **Wittur-Aufzugteile GmbH + Co**, producing lift swing doors and trading in lift components.
About Us

Horst Wittur founds his own company at the age of 26 with a start-up capital of DM 2,000: Wittur-Aufzugteile GmbH + Co, producing lift swing doors and trading in lift components.

Formation of SELCOM S.p.A. by six shareholders, Horst Wittur being the majority shareholder. Selcom Aragon (today Wittur Elevator Components S.A) was founded in Zaragoza, Spain to produce automatic lift doors.

All activities were bundled under the roof of LMC Management GmbH (today Wittur Holding GmbH) located in Wiedenzhausen near Munich, Germany.

Majority interest in Asfen (today Wittur Asansör Sanayi Ve Ticaret Ltd. Sirketi), a manufacturing company for automatic lift doors, cars and slings, in Istanbul, Turkey.

Omar Lift (today Wittur Hydraulic Drives) a manufacturer of hydraulic lift drives, located in Bergamo, Italy, was purchased.
