About Us

World Chem Trading Corporation was established in Ahmedabad, by well experience Technocrats in Year 1996. The company is knowledge driven and prides on professional approach to business, commitment to deliver value, ethical conduct and its sharp customer focus. The motive behind this to provide a strong supply chain, quality products and develop a vibrant international trading network largely in the Indian Textile and Chemical Industries. Today, WorldChem has made rapid strides in meeting those objectives. From start up World Chem Corporation has evolved into a substantial business entity with a flourishing international trade in dyestuff and chemicals as its mainstay. The company has established itself as a significant importer and exporter of basic chemicals, Dye Intermediate, Dyestuff and specialty chemicals, among other products. We provide an effective marketing & distribution channel for India. Our end users consist of companies engaged in manufacture of Paints, Inks, Dyestuff, Resins, Pharmaceuticals and Food Processing, Glass and Ceramics, Lab Chemical manufacture, Agro-Chemicals, Adhesives and Plastic processing Industries. Our core competencies enable us to be successful international marketing, sales and distribution company.
