# Xebbekk Engineering

<https://www.indiamart.com/xebbekkengineering/>

We are a manufacturer, supplier, importer and exporter of printing machines & cylinders, printed labels and resin ribbons. These products are extensively demanded in various industries such as printing, textile and paper.

## About Us

Established in the year **1996**, we, "**Xebbekk Engineering**", are engaged in manufacturing, supplying, importing and exporting **Printing Machines & Cylinders, Printed Labels and Resin Ribbons**. Our top quality products cater to the needs of various industries. These are manufactured using optimum grade material and latest technological tools, and are developed at par with the prevailing market standards. The products offered by us are a perfect blend of quality with optimal performance. The hard work of a team of experienced professionals acts as a catalyst for our success. These professionals make best usage of the available machines and technology for delivering the consignments within the specified time limit. Moreover, our quality controllers check the finished & semi-finished products over different parameters for assuring their conformity with the international quality standards. Further, our customer oriented approach and ethical business practices have enabled us garner a huge clientèle across the nation. We also offer convenient payment options in modes of **Cash and Cheque**. Our organization grows by leaps and bounds, under the able guidance of our mentor, '**Mr. C. M. Deshpande**'. Due to his high qualification, dynamic leadership qualities and in-depth industry experience, we are able to comprehend the specific requirements of our clients and serve accordingly.
