# Yamuna Calcium Private Limited

<https://www.indiamart.com/yamuna-calcium/>

We "Yamuna Calcium Private Limited" are the leading manufacturer and importer of a wide range of **Precipitated Calcium Carbonate** and **Ground Calcium Carbonate**.

## About Us

Started in **2004**, we never looked back since then. We successfully expanded our production capacity from 25 MT to 35 MT per day in 2004, 5 MT to 60 MT per day in 2008, 80 MT to 100 MT per day in 2014 and in 2019, we attained a capacity of 150 MT per day. Our products are now widely used by different industries from footwear to paper and from PVC pipe to food products. We are one of the leading **manufacturer** and **importer** of **Precipitated Calcium Carbonate** and **Ground Calcium Carbonate** in India situated at **Yamuna Nagar (Haryana, India)**.
