We are one of the eminent firms engaged in manufacturing and supplying an impeccable range of electric control panels. These control panels are widely acclaimed for their hassle-free operation, ergonomic design and low power consumption.

About Us

Established in the year **2005**, we, “**Yash Enterprises**”, are ranked amongst reputed manufacturers and suppliers of a wide assortment of **Electric Control Panels**. These panels are fabricated by employing cutting edge-technology and using high-grade material. Adhering to international quality standards, these panels are well-appreciated by the clients for their features such as high performance, low power consumption and easy installation. These panels are available in different grades and specifications as per the specific requirements of our valuable clients. We are empowered by a hard-working and skilled workforce, which ensures that our clients receive best quality products at competitive prices. Our products are manufactured at our technologically sound infrastructure, which facilitates production of defect free products in bulk capacity. Our wide distribution network helps us in making delivery of the consignments at our clients' end. Moreover, owing to our strong financial position, easy payment modes, customized solutions and transparent dealings, we have acquired a wide client-base across the nation. Under the profound leadership of our proprietor, '**Mr. Anil Shinde**', we have created a niche for ourselves in the market. Owing to his wise management skills and in-depth industry knowledge, we have acquired immense market credibility and goodwill.
