

Yashi International

<https://www.indiamart.com/yashiinternational/>

We are experienced manufacturer and exporter of leather goods, Horse tacks and Equestrian products. We have developed a range of products that are qualitative and durable. We are a perfect combination of skill and efficiency.

About Us

Establish in the year **2002**, we are one of the leaders in the sphere of manufacturing and exporting leather goods, horse tacks and equestrian goods. We believe that two parties involved in a business should be mutually benefited by each other; therefore we have procured a transparent way of working.

The leather is picked from popular tanneries and inspected before the actual stocking of raw material takes place. We aim at providing only products that adheres to international standards; therefore we have been successful in serving clients across the globe.

With our years of experience, we are well versed even with all the minute technicalities of the processing. We have professional relationship with all the leading companies in this sphere which serve us a source of guide in case we come across some surprises. We ensure that people dealing with us would want to do business repeatedly with us because our all the efforts are directed in achieving customer satisfaction.
