## About Us

The ISO 9001:2008 Certified YFC Projects Private Limited is the bellwether of YFC Group. Incorporated in Gurgaon (NCR) INDIA, it came into being in 1986. It has adominant presence in North, East & North-Eastern India. The heart of its expertise lies in EPC and Turnkey contracting of infrastructure & Civil Construction ventures and Manufacturing of High Quality Ready Mix Concrete. “Engineering for better Sustainability, Durability & Value” is its creed with coherent fixate on “Quality Delivery”.

The company came into existence with stone crushers in Haryana as its prime business. Soon after, it suffused to the financial market by procuring the license of NBFC for outlying the commercial automobile industry through its group company, YOGINDERA FINANCE LTD. Along the year 1990 the company commenced the Infrastructure projects by venturing Mass Earthworks in National & State Highways. During the stretch of a decade YFC concrete became the pioneer manufacturer of High quality RMC and has returning clientele of quality and service vigilant corporates. In 2001 the company got its first extensive road project, the Noida- Greater Noida Expressway for INR 148.39 Millions in joint venture with C&C. ALong the line of its growth the Company envisaged the logical & strategic assimilation within its approach and included the Civil Construction projects to its portfolio by enterprising the esteemed “19...
