## About Us

We, **Ynot Plastics & Packaging**, are a **sole proprietorship firm** established in the year **2013**. We are a highly trusted and regarded name in the marketplace as the **manufacturer**, of an excellent range of Packaging Pouch, LDPE Bag, PP And BOPP Sack Bag, BOPP Bag, Strapping Roll, Detergent Bag and much more. All the products that we produce and offer are made up of high grade raw material that is obtained from some of the most dependable names in the market as vendors. Other qualities that our products have are that they have a long service life, are precision engineered and are offered at reasonable prices. The products that are not produced in house are also procured from trusted and reliable vendors of the marketplace. We believe that prime reason that can make the customers happy is the quality of the products. Therefore behind every activity that happens in our organization, the main goal is to achieve highest level of quality possible. So to let this happen, we keep an eye on the process from the very beginning. The raw materials that we purchase are selected after a close check of the qualities sold by different vendors in the market. Once these raw materials enter the production process, we keep a vigilant check on how they are being processed to get to the final product. Each of the activity that happens between making the raw materials turn into final goods is closely monitored and any flaw that crops up is immediately...
