## About Us

Print guru is one of the finest photography and printing solutions in Aurangabad. The dream to channelize the inner feelings of each person around us and to make him/her to convey the same to his or her loved ones with a special way has led us to start this creative journey. We are blessed to have a rapidly growing city like Aurangabad as our base.

Personalized gifts are the best way to convey your inner feelings to make your loved ones feel special. Bring a smile on their face and see how happy you would feel. Print Guru is one such stop where you can get these personalized gifts. We create personalized gifts for every occasion you name -such as birthday, anniversary, Valentine's Day, friendship day and so on. You can personalize Cards, mugs, teddies, fancy gift articles, bags, or photo frames by imprinting your personal message or photograph of your dear ones.

At Print Guru you can select from wide range of gift articles and the next step is to get it designed for you. Select a name, photograph or a text message, we would design the selected item and we would imprint the same on the selected item. No worries if you have forgotten to bring the photo, we have a small studio of our own at Print Guru! We are specialized in landscape and portrait photographs. In a nutshell, Print Guru is just one complete solution for personalized gifts and photos.

Apart from individual requirements we also supply personalized gifts with the logo of the...
