About Us

India has a strong base in agriculture and provides large varieties of fruits and vegetables. In fact, this country has emerged as the second largest producer of fruits and vegetables in the world. The number of commodities as well as varieties traded have drastically increased during the recent years, owing to the overall increase in demand of Indian fruits and vegetables, for consumption both in fresh and processed form. Yu & I India is a renowned producer and exporter of Vegetables and Fruits. We also deal in the manufacture & export of Dry Fishes, Salt & Gypsum Sand.
