Providing good food products.

## About Us

Baked Happiness is an apt title to our range of products, baked with compassion, concern and undying love, reminiscent of that old lady in her apron baking on a Sunday afternoon.

An entire range of traditionally baked Western Cookies to **Ethnic Indian Snack**, Our range can be ideal for Hypermarket shelves, Dollar stores, Cafeterias, Restaurants, Hotels, Schools, Local news agents, virtually any outlet that has a shelf. Made out of only the finest quality ingredients at the most hygienic of plants, our products can give you the competitive edge on both the frontiers, Quality & Pricing.

Quality adherent to World Class Standards with a hugely competitive price tag is what we have chased long and hard, in the humble opinion of our clients we have achieved our goal. find an entire section dedicated to healthy eating on our website and decorate your shelves with our ultra low cal Indian snacks. Introduce your ever so Health Conscious modern day consumer to our Ethnic Indian Snacks Khari (Salty Puffs) & (Salty Crisps) and watch them fly off your shelves. Unlike your conventional **Health Foods** these taste lusciously good especially the ones peppered with Indian Masala & the flavored ones, they have been huge hits with our clients in various parts of the world.
