About Us

Zandoz Medical Systems was established on September 6, 2003, to render sales and service of medical equipments and laboratory instruments. We have great pleasure in introducing ourselves, Z M S, as the authorized Marketing Associates for Wipro GE Healthcare- USA, Fisher & Paykel – Newzeland for their operations across South India and Channel Business Partners for several globally reputed brands such as Medela, Carefusion, Welchallyn Anaesthetics, Essae Teraoko, Etc. Providing all Life Care Support solutions and service at time. Our vast coverage and distribution network manned by expert and exhaustively trained Engineers and Technicians has played a key role among our customers including Hospitals, Clinic, and nursing homes. Patient Care area. We have been extra cautious in laying strong fundamentals and evolving from such basics have helped us in reaching to over 1500 highly satisfied customers in various segments, whereas, at present, our installation base exceeds 1500 Hospitals in south India
