Zantva is an Indian startup incorporated to export a series of Indian-made products all over the world

## About Us

Zantva is an Indian startup, B2B Digital Platform of "Channapatna Toys and Home Decor " which is called Toy Town of Karnataka. Zantva was formed during the Covid-19 to create livelihood and opportunities for the Tier-2 and Tier-3 cities residing in rural areas. Our products are made of 'Ivory Wood' and are organic, Non-Toxic and safe for kids, unlike plastic toys. Our start up is completely based on the concept of 'Aatmanirbhar Bharat' and Vision of Our Indian Prime Minister to make India as Toys cluster 'Make In India, Make for the World'

Zantva is an Indian startup incorporated to export a series of Indian-made products all over the world. Zantva formed during the corona pandemic, our motto is to provide opportunities for the people to showcase their skills geographically, and to make business life easier by fulfilling our client's requirements led by exporting across the world and with a vision to bring positivity out of negativity. How We Started We have come across farmers, weavers & craftspersons, despite having remarkable skills, passion and dedication in what they do. Most of them are unaware of their product's real value and fail to find the right market, hence we come up with the idea to fulfill this gap of supply and demand. We are a team of youngsters grabbing this opportunity to bring light in these people's lives by exporting all the demands of our products across the globe and it will be a...
