Offering web designing services, web hosting services, search engine optimization services etc.

About Us

Zeecot web Solution has come up with various web related services to help small scale industry to tap enormous potential of Internet. I would say hat the amount you spend on putting a signboard of your company. In the same amount you can put signboard.

Zeecot Education nourishes human values and dignity and stresses upon participative approach. It provides a simpler and targeted framework to validate the core technical, professional and architectural skills. It is an institute that offers comprehensive courses in Programming and Web designing. We have registered as vocational Training provider from DGE&T under Modular Employable Skill (MES) in 2014.
