## About Us

Zia International established in 1999. We are Sole Proprietorship based firm. We are Manufacturer, Supplier & Exporter of Fancy Leather Belts, Leather Bags, Gents Leather Footwear, Ladies Wallets, and many more. All products are perfectly designed by skilled experts, who keep in mind the exact customers specifications while manufacturing these products. For the development of above mentioned range, we make use of qualitative raw material.

These products are availed from the our manufacturing unit, thus nullifying the chances of any flaw in the quality of our products. We make available the diverse gamut of a variety of products serving different purposes in the day to day living. Owing to this diversity clients can avail their requirements from one place without hassle and inconvenience.
