About Us

Zoom is a pioneering leader in network and security solutions. For well over a decade, we have designed and built avant-garde secure networks for hundreds of clients. We were the first to set up an IPsec VPN in India, the first to set up a Linux based WAN (the largest network in India), the first to set up a 24 X 7 antivirus and malware support center in India, and of course the first to offer a comprehensive bundle of networking courses. The list goes on...
