About Us

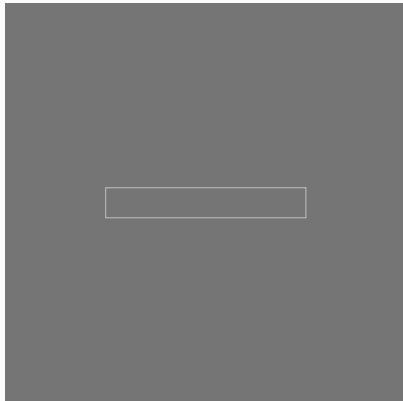

my company is one of the oldest and most reputable real estate agencies from india. Created in 2015 by vicky namdev ,harikishan chhimpa, kundan chhimpa, we have over 20 years of experience in finding the perfect locations for our clients. It doesn't matter if you are just looking for a place to rent or to buy that house you've always dreamed about — we don't treat our clients based on the complexity of the sale. No investment is too big or too small and we know that the decision of moving to a new place is an important step in everyone's life. This is why we want to be by your side and to help you choose the perfect place. All we have achieved is thanks to the creativity and professionalism of our staff. The individual style and the special relationship with our customers brought us much more than positive reputation.
